

## ACTIVITIES GUIDE FOR CCA 2009-10

**Most CCA classes are for enrolled students only. The classes that are open to students outside CCA are marked with an asterisk.**

All high school class payments were due by June 1. If you did not enroll by that time, you will need to contact the instructor for permission to enroll. Fees must be paid at that time. Some fees are collected at the August Parent Meeting. All fees should be paid before the class/activity begins.
